IN RE: JATO OPERATING CORPORATION, f/k/a JATO COMMUNICATIONS CORPORATION	DOCKET NOS. TCU-98-23 TCU-99-22 (SPU-00-20)
---	---

ORDER CANCELING APPROVAL OF APPLICATION

(Issued June 6, 2001)

On December 14, 1998, the Utilities Board (Board) issued an order approving the application of JATO Communications Corporation (JATO Communications) to provide local exchange service in Iowa. The order was issued in Docket No. TCU-98-23. The order stated that JATO Communications was required to file proposed tariffs before it would be granted a certificate to provide local exchange service. On July 23, 1999, the Board issued an order in Docket No. TCU-99-22 recognizing the name change of the company from JATO Communications Corporation to JATO Operating Corporation (JATO Operating). In addition, in Docket No. SPU-00-20 on November 9, 2000, the Board by letter acknowledged the request of JATO Communications to discontinue non-jurisdictional digital subscriber line (DSL) service in the Davenport, Des Moines, and Iowa City exchanges.

The Board has now learned that JATO Operating is no longer providing telecommunications services and no longer exists as a corporate entity. The Board finds that the application of JATO Operating should be canceled.

IT IS THEREFORE ORDERED:

The approval of the application to provide local exchange service for JATO Operating Corporation, f/k/a JATO Communications Corporation, issued on December 14, 1998, is canceled.
